Dear Mr. Teixeira,

I received your communication of October 11, 2016 requesting copies of "settlement agreements relative to the provision of special education services, and/or educational placements for students with disabilities" from January 1, 2011 through the present. Your request was made under pursuant to M.G.L. c. 66, s. 10, the Massachusetts Public Records Law.

Please be advised that the district did not enter into any such agreements during the defined period, and thus has no documents responsive to your request.

Very truly yours,

A handwritten signature in black ink, appearing to read "Alexandre Magalhaes".
