Dear Mr. Teixeira,

Per your request for the following records:

Settlement agreements entered into by your School District with parents and guardians, from January 1, 2011 through today, relative to the provision of special education services and/or educational placement(s) for students with disabilities, redacted of all personally identifying information

I have calculated the fee estimate:

We are estimating it will take approximately 1.5 hours for the employee to research this information. Our lowest paid employee who can do this research earns \$43.52 per hour, resulting in approximately \$65.28 in Labor charges.

We will begin the research upon receipt of your check for \$65.28.

Sincerely,

Karen Totman
