Dear Mr. Teixeira:

We are in receipt of your records request via email on October 17, 2016. The request is for settlement agreements entered into by our school district with parents and guardians, from January 1, 2011 through today, relative to the provision of special education services and/or educational placement(s) for students with disabilities.

Nashoba Valley Technical School District has not entered into any settlement agreements with parents or guardians from January 1, 2011 to the present and therefore no such records exist.

If you have any questions or need further information, please contact us at 978-692-4711 extension 1103.

Regards,

Joanna Carpentier
