Subject: Re: Settlement agreements request

Mr. Teixeira:

After review with the Director of Student Services here in the Sharon Public Schools, we are estimating that it will cost our lowest paid clerical employee at least one hour to turn any redacted settlement agreements into pdf format and to organize them to be sent to you. Therefore, the cost we are quoting to comply with your request is the hourly rate of the lowest paid clerical employee or \$21.67.

You can mail a check for \$21.67 to Timothy J. Farmer, Office of the Superintendent, 75 Mountain Street, Sharon, MA 02067. The check should be written to The Town of Sharon. Unless I hear from you otherwise within the next few days, I will assume this quote is reasonable and acceptable to you. Thank you.
