Subject: RE: Settlement agreements request

Mr. Teixeira

I am writing to acknowledge your public records request. I have served as superintendent of this school district for just over twelve months. The director of special education services retired shortly after I started, and our current director has been here for just over nine months.

Therefore, I have forwarded this request to our attorneys who handled all special education cases going back to 2011. They have replied and informed me that no such settlements were entered into between this school district and the parents or guardians of any special education students during the specified time period.

To the best of my knowledge, there are no public records for me to share in response to this request.

My best regards,
Tim Broadrick
