

MEDFORD PUBLIC SCHOOLS v.
BSEA #

CONFIDENTIAL SETTLEMENT AGREEMENT

This Agreement is entered into by and between
(hereinafter "Parents"), on behalf of themselves and ("Student"), and
the Medford Public Schools ("the District"), referred to collectively as "the Parties."

WHEREAS, the Parents have requested public funding for various independent evaluations;

AND WHEREAS, the District agreed to fund some evaluations but not others and filed a hearing request at the Bureau of Special Education Appeals ("BSEA") within 5 school days as required by Massachusetts Special Education Regulation;

NOW WHEREFORE, in consideration of the mutual promises and covenants contained herein, the sufficiency of which is hereby acknowledged, and in lieu of a hearing before the BSEA, the Parties agree as follows:

1. The District agrees to fund a Neuropsychological Evaluation to be completed at Children's Hospital in Boston MA. The District agrees to fund all seven components of the evaluation at the state rates as described in the invoice from Children's provided to the District by the Parents. Funding of this evaluation completely resolves all disputes around the Parents' requests for independent evaluations.
1. In exchange for the District's agreement to fund this full evaluation as described in Paragraph 1 of this Agreement, the Parents agree that they will not request, nor will they be entitled to public funding for any further independent evaluations of any kind from the District until after the District completes its next scheduled three year re-evaluation of the Student.
2. Upon receipt of the Neuropsychological Evaluation completed by Children's Hospital, the District will convene a Team meeting to review said report.

3. Upon full execution of this Agreement, the District will withdraw its pending hearing request at the BSEA
