Re: January 3, 2020 Public Record Request

Dear Mr. Jorge M. Teixeira:

I am in receipt of your request for records dated January 3, 2020. You appear to be requesting the following documents:

1. Abington Public Schools' Settlement Agreements, from 2014 through today.

Please note that the Abington School Department's duty to respond to records requests extends only to records that are in existence and in the custody of the School Department, and the School Department is under no obligation to create records in response to your request. Furthermore, the School Department is required only to provide records, and is not required to answer questions in response to a public records request. See "A Guide to the Massachusetts Public Records Law," January, 2017, published by the Secretary of the Commonwealth, at page three.

There are no responsive documents to your request.

In accordance with the Public Records Access Regulations, 950 CMR 32.08(1), you are hereby notified that you may seek redress under 950 CMR 32.00 and M.G.L. c. 66, § 10(b) if you disagree with this response.

Sincerely,

Peter Schaffer
Superintendent of Schools
